Amusement Led Light

# ABOUT US

## Who We Are

Galaxy Amusement Sales Inc. and Camaleon LED have joined forces to become the Industry Specific Standard for LED lighting for the Amusement Industry. With distribution in Tampa, Florida, we are able to meet the demands of a worldwide market.

Our goal is to supply our customers the best products available in the marketplace while taking into consideration quality, cost and timing.

## What We Do?

We provide professional services to make your lighting project a reality using the best quality lighting components to best fit your needs.

We offer:

- Professional lighting designs
- Wide range of lighting products
- Maintenance and Warranty
- Lighting accessories and components

# OUR TEAM

“  
*Customer  
Satisfaction is  
our #1 priority*  
”

Our team of knowledgeable Sales Staff will help fulfill your next lighting or accessory order to your specification.

# E14-E10 LED LAMPS

## SINGLE COLOR

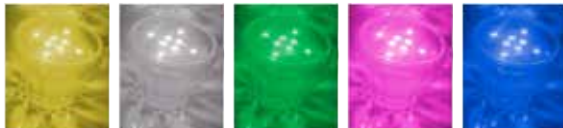

### E14 Single Color

- 7 Available Colors: Red, Green, Blue, Pink, Cold White, Warm White
- Input Voltage: AC 24v/60v/110v/220v - Power: 1W
- Led Type: SMD 3528
- Led Quantity: 20 Leds (16 on the front and 4 on the back)
- Life Span: 50000H
- Waterproof Grade: IP65
- Diameter: 35mm/1.37 Inches
- Socket Size: E14

### E10 Single Color (Long and Short)

- 7 Available Colors: Red, Green, Blue, Pink, Cold White, Warm White
- Input Voltage: AC 24v/60v/110v/220v - Power: 1W
- Led Type: SMD 3528
- Led Quantity: 12 Leds (8 on the front and 4 on the back)
- Life Span: 50000H and Waterproof Grade: IP65
- Diameter: 28mm/1.10 Inches
- Socket Size: E10

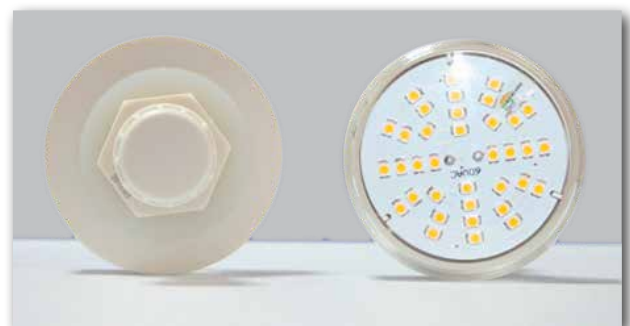

## Cabochon L

- 10 Available Colors: Red, Blue, Green, Yellow, Orange, Pink, Purple, Cold White, Warm White, Frosted White.
- Input Voltage: AC 24v/60v/110v/220v - Power: 1W
- Led Type: SMD 3528
- Led Quantity: 21 Leds (16 on the front)
- Life Span: 50000H - Waterproof Grade: IP65
- Diameter: 45mm / 1.78 In
- Hole Size: 20mm / .75 In.

## Cabochon XL

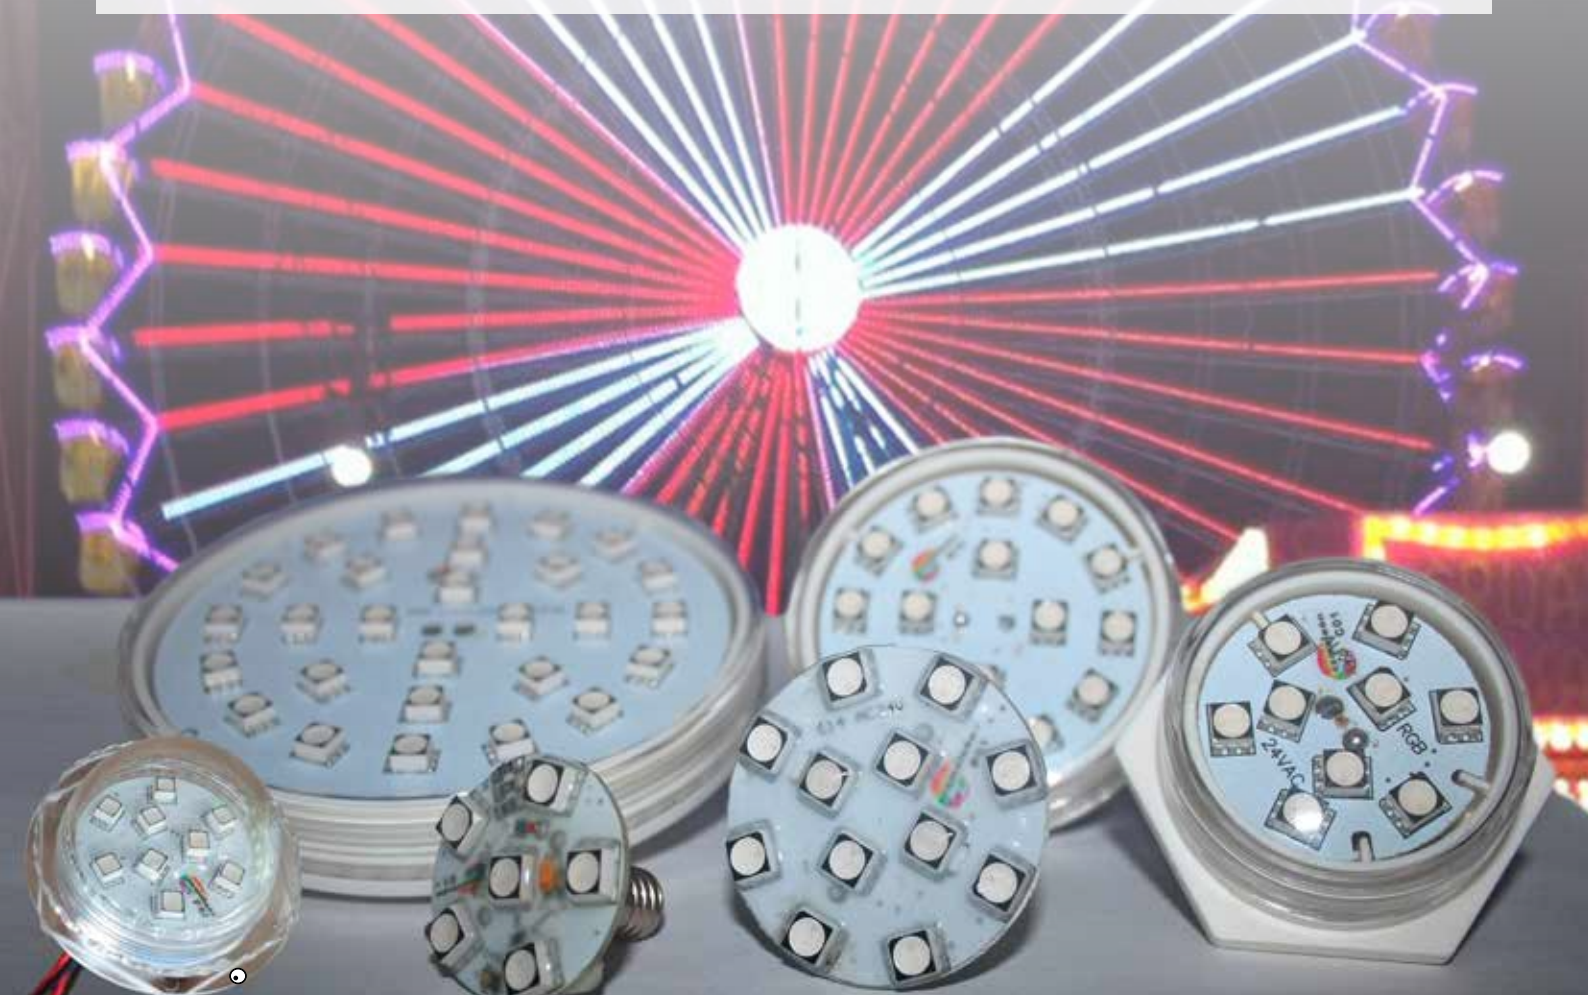

- 7 Available Colors: Red, Green, Blue, Yellow, Pink, Cold White, Warm White
- Input Voltage: AC 24v/60v/110v/220v - Power: 2W
- Led Type: SMD 3528
- Led Quantity: 36 Leds (36 on the front)
- Life Span: 50000H
- Waterproof Grade: IP65
- Diameter: 62mm / 2.43 In
- Hole Size: 20mm / .75 In.

## AUTO COLOR LAMPS

Creating a Dynamic Pre-Programmed LED package has never been Simpler. Our Auto LED Camaleon Lamps use cutting-edge programming to give you the most Vibrant Lighting Effects on the market today. Each unit is assigned a pre-programmed # (1-16) with over 3-5 minutes (Depending on Program) of Dazzling chase patterns and sequences. Our 2-wire system runs on a 24v low-voltage AC system and requires no control system!

It will surprise you how easy & economical it is to Install!

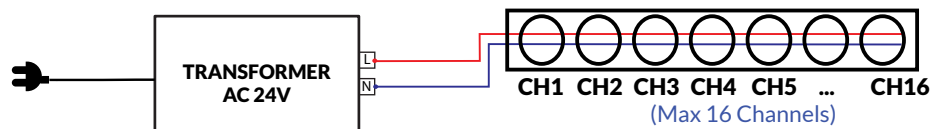

AUTO

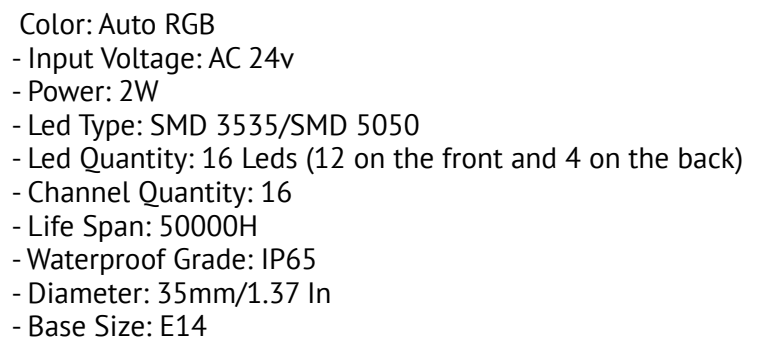

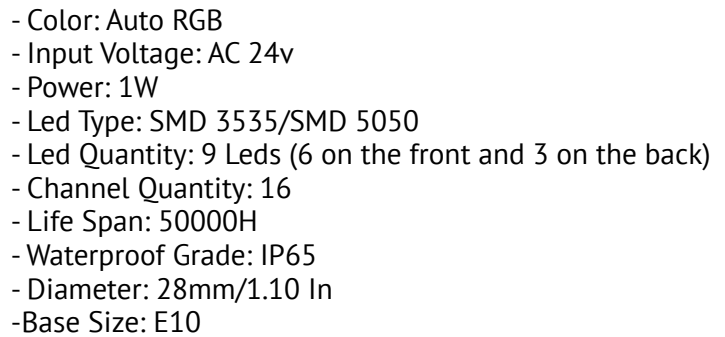

BEAUTIFUL & EASY

Connection Diagram **Camaleon L RGB**

# E10 Auto

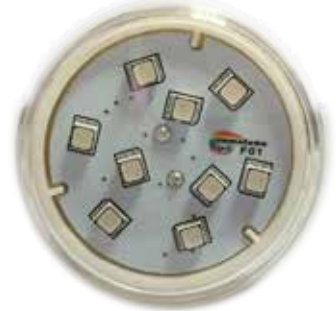

## Camaleon L

- Color: Auto RGB
- Input Voltage: AC 24v
- Power: 1W
- Led Type: SMD 3535/SMD 5050
- Led Quantity: 9 Leds
- Channel Quantity: 16
- Life Span: 50000H
- Waterproof Grade: IP65
- Diameter: 45mm / 1.78 In
- Hole Size: 20mm / .75 In

## Camaleon L 3535

## Camaleon Bubble

- Color: Auto RGB
- Input Voltage: AC 24v
- Power: 1W
- Led Type: SMD 3535
- Led Quantity: 9 Leds
- Channel Quantity: 16
- Life Span: 50000H
- Waterproof Grade: IP65
- Diameter: 44mm / 1.75 In
- Hole Size: 40mm / 1.43 In

## Camaleon XL 16/12 leds

### Camaleon XL 16 Leds

- Color: Programmed RGB
- Input Voltage: AC 24v
- Power: 2W
- Led Type: SMD 3535/SMD 5050
- Led Quantity: 16/12 Leds
- Channel Quantity: 16
- Life Span: 50000H
- Waterproof Grade: IP65
- Diameter: 62mm / 2.43 In
- Hole Size: 40mm / .75 In

### Camaleon XL 3535

## Camaleon XXL

- Color: Programmed RGB
- Input Voltage: AC 24v
- Power: 4W
- Led Type: SMD 3535/SMD 5050
- Led Quantity: 28 Leds
- Channel Quantity: 16
- Life Span: 50000H | Waterproof Grade: IP65
- Diameter: 100mm / 3.93 In
- Hole Size: 50mm / 1.96 In

## PROGRAMMABLE COLOR LAMPS

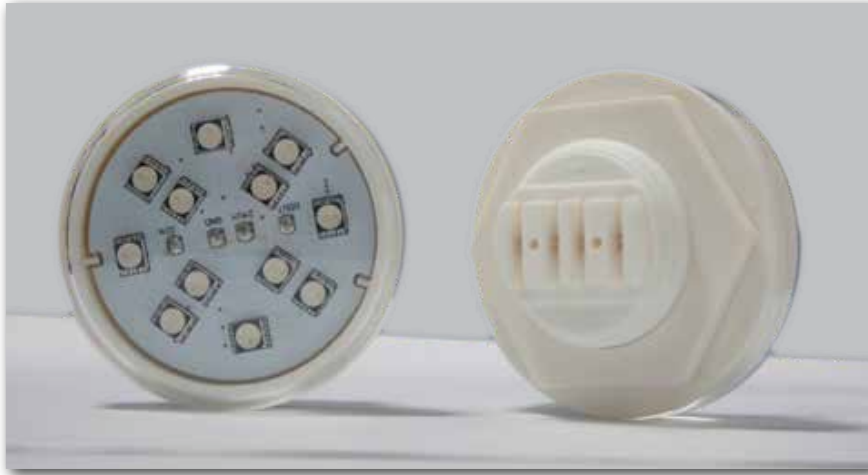

### Camaleon Pixel L

- Color: Programable RGB
- Input Voltage: DC 24v
- Power: 1W
- Led Type: SMD 3535/SMD 5050
- Led Quantity: 6 Leds
- Life Span: 50000H
- Waterproof Grade: IP65
- Diameter: 40mm/1.57 In
- Hole Size: 40mm/1.57 In

## Camaleon Pixel XL

- Color: Programable RGB
- Input Voltage: DC 24v
- Power: 1W
- Led Type: SMD 3535/SMD 5050
- Led Quantity: 12 Leds
- Life Span: 50000H
- Waterproof Grade: IP65
- Diameter: 40mm/1.57 In
- Hole Size: 40mm/1.57 In

## Modular LED Video Screen

You can change the configuration by added "Blocks" to fit your Specification!!!

# ACCESSORIES

# LED FLOODLIGHT

## LIGHT DANCERS - Dynamic RGB DMX Controlled Floodlights

## LED FLOODLIGHT WHITE 500W

Input: AC85-277V  
Luminous flux: >55000lm  
Lumen: 120-130lm/w  
IP rating: IP68  
Life Time: >50 000 Hours
